Please consider the following questions and respond to any that may apply to you or your family. This information will help the judge understand more about what happened. Putting it in written form makes sure that you will not be 'forgotten' by the criminal justice system. Since the space below is extremely limited, most people find it easier to attach and use another piece of paper (or more) for the answers.

- 1. Describe any physical injuries you suffered and medical treatment you received for these injuries.
- 2. Have these injuries caused any permanent or long-lasting disabilities or disfigurements? Please describe them.
- 3. Have you noticed any change in yourself since this happened? This might include personal habits, the way you deal with other people, the amount of tension or nervousness you feel, etc.
- 4. Have you family situations, close relationships or lifestyle changed as a result of this? Have you had to move because of this? Explain.
- 5. Has this crime affected your credit, your job or your ability to work? How?
- 6. Have you received any counseling of psychological services because of this? If so, how has it helped you? If you have not received counseling, why?

Please summarize the costs and financial losses this crime has caused. This may include medical and/or counseling costs, lost wages, funeral bills, lost or damaged property, etc. Copies of receipts, estimates, bills, and other documentation should be attached to this form.
